Research @ IUIES

IUIES academic staff carries out several scientific research projects in Consortium member universities.

PhD students are highly encouraged to take to these projects.

During the last years, a informative database directed to the Coordinators of the above mentioned universities has been developed. This database is in continuous update.

In order to be included in it, all Phd students must send to the IUIES secretary (iuiies@isig.it):

- A **Curriculum Vitae** (Europass format) including publications, working experience and contact informations
- A **motivation letter** (max 400 words) focusing on Research Interests and Structural and Interpersonal skills.
