

## FACILITIES for IUIES STUDENTS

Students have granted access to several facilities designed to improve their quality of research and studies:

1. An academic secretary for the organization and implementation of the courses and the assistance for MA and Phd students (via Mazzini, 13).
2. Computer rooms and laboratories in the Polo Universitario Goriziano (via Alviano, 18).
3. Research laboratories and facilities located in the ISIG (International Sociology Institute of Gorizia) and IUIES offices (via Mazzini, 13).
4. The library network of the University of Trieste and of all the other Universities involved in the IUIES consortium.
5. "Course collection" library for the Masters and PhD. Located in the IUIES offices, it consists in all the materials required for the individual preliminary preparation for the lectures (via Mazzini, 13).
6. Unlimited access to the University of Trieste electronic journal on-line database.
7. ISIG periodical library with more than 300 national and international reviews from 1970 to 2008 (via Mazzini, 13).
8. Other research technical instruments in the IUIES offices such as:
  - a) 2 photocopy machines;
  - b) 2 scanners;
  - c) 5 computer workstation (Win XP-Pro, SPSS software and unlimited net access).
